Any owner subject to this division shall be required to pay a fee equal to the maximum amount permitted under § 2153.453 of the Texas Occupations Code for the release of any machine sealed as provided herein for nonpayment of the tax or for failure to properly display the decal evidencing the payment of the tax. Upon proof of payment of the occupation tax, the penalties and the release fee, the director will remove the seal. If decals are being replaced as a result of theft or destruction, a police report must accompany your application to receive a prorated rate.
