Dear Director Francis,

I am writing in support of the Westbury Area Improvement Corporation's (WAIC) proposed mini mural, to be installed on the traffic control box at the corner of Burdine and Chimney Rock. This mini mural will be visible to residents visiting the new Dr. Shannon Walker Library on Chimney Rock. WAIC is currently working with the community to design artwork that will honor Westbury High School graduate and astronaut Dr. Shannon Walker, who recently commanded the International Space Station.

Thank you for your consideration.

Sincerely,
