CULTURAL ARTS DISTRICT

FIFTH WARD
COMMUNITY REDEVELOPMENT CORPORATION
CREATING A COMMUNITY OF CHOICE

Our Mission and Vision:

“Fifth Ward CRC catalyzes resources to build and preserve an inclusive 5th Ward Community by developing places and opportunities to live, work and play.”

Fifth Ward CRC brings together partners and financial resources to focus on the redevelopment of 5th Ward. By providing housing, art, cultural opportunities, community parks, and more, we are expanding opportunities for economic growth.

OUR WORK

Real Estate Development

To develop and encourage partners to develop and preserve affordable housing opportunities and commercial space. To assemble land for partner developers. Provide relocation services: both short-term for multifamily and disaster related needs, and long term -- buy-out and permanent moves.

Homeownership Promotion & Preservation

To foster homeownership through HBE classes and counseling, facilitating purchases and building individual financial capacity; and preserve housing through delinquency intervention and repair services.

Arts & Cultural Development

To celebrate 5th ward's historic heritage, provide inclusive cultural activities, and build community pride.

Community Engagement & Supportive Services

To build community leadership, address gaps in services, and develop social infrastructure.

Economic Development

To generate job and entrepreneurial opportunities, preserve local businesses and attract new businesses as well.

District Mission:

To support and maintain an arts rich community.
