Project Tracking

The screenshot displays the Wrike project tracking interface. On the left is a navigation sidebar with sections for 'Personal' (Inbox, My to-do, Created by me, Starred tasks) and 'Pilot Communities' (Acres Home, Gulfton, Near Northside, Second Ward, Third Ward, Civic Engagement, Economy and Jobs, Education). The main area is split into two panes. The left pane shows an 'Incoming' task list for 'Today' with four entries, each assigned to Abraham Zorrilla. The right pane shows a detailed view of a task titled 'Special Minimum Lot Size Area Application - Community Meeting - Brady Place' in the 'Second Ward'. The task status is 'Completed', assigned to 'LH' (+2), and scheduled for 'Nov 8, 2018 (1d)'. It includes a comment from Abraham Zorrilla at 10:08 AM: 'Scheduled task for Nov 8, 2018 (1d)'. A comment input field is visible at the bottom of the task view.

Follow up with Pilot Communities
