Clear Lake Division

Differential Response Team

04/01/26- 10/01/26

- Clear Lake DRT shutdown 6 illegal game rooms.
- Clear Lake DRT worked on 8 Vice operations at massage parlors in the District.
- Clear Lake DRT coordinated with Public Works to cleanup 3 large encampment sites.

Clear Lake Division

Crime Suppression Team

- Clear Lake CST assisted Auto Theft, SRT, & multiple outside agencies w/ search warrant execution.
- Clear Lake CST intercepted a crew of organized retail theft suspects stealing from Bath & Body Works.
- Clear Lake CST conducted a joint operation with Auto Theft & Webster. CST captured 2 suspects stealing vehicles throughout the city.

HOUSTON E-SCOOTER & E-BIKE RULES

E-SCOOTER CURFEW

Operating or renting e-scooters and other micromobility devices is prohibited citywide from **8 PM to 4 AM**.

SIDEWALKS

In business districts like Downtown, e-scooters are not allowed on sidewalks. Elsewhere, riders must yield to pedestrians and give an audible signal before passing.

RENTALS

Pop-up tents or kiosks cannot be used to rent e-scooters. Rentals are also prohibited from **8 PM to 4 AM**.

E-BIKES

E-bikes follow bicycle traffic laws. Riders should obey posted traffic controls and ride responsibly.

ENFORCEMENT

Devices operated or parked illegally may be impounded. Retrieval fee: **\$100** per device.

★ Source: City of Houston / ParkHouston / Chapter 45 ★

HOUSTON AIRPORT SYSTEM

JIMMY SPENCE

HERE IS HOW WE GET THERE

Jimmy Spence

Business & Partnership Development
Houston Spaceport

**HOUSTON
SPACEPORT**

**HOUSTON
AIRPORTS**

A PART OF THE **HOUSTON** AIRPORTS FAMILY

Ellington Airport and the Houston Spaceport (EFD) are a part of the Houston Airport System (HAS). Together with George Bush International Airport (IAH) and Houston Hobby Airport (HOU), we output \$40.6 billion dollars and generate nearly 208,000 jobs in the City of Houston.

Over the past decade, Houston Spaceport has generated nearly 2,000 jobs and attracted billions in investments, contributing \$2 billion in annual economic impact on the region.

**\$250
MILLION**

Value of construction projects completed since 2023.

**\$100
MILLION**

Injected into the economy from capital improvements.

+400k

Sq. Ft. currently in development.

2500

New Jobs at EFD over the next 3 years.

WHAT'S NEXT AT THE SPACEPORT:

We're also excited to announce that Phase 1 of our \$60 million dollar Taxiway Lima project is officially underway. The 4,000-foot taxiway will connect the Houston Spaceport directly to Ellington's airfield, giving tenants full design-to-flight capability. Construction began in May with site clearing, drainage improvement and base stabilization. The project, expected to be completed by the end of 2026, is backed by federal grants and \$5 million from the Texas Spaceport Trust Fund.

Construction continues on Taxiway Lima with the Houston Spaceport campus in the background.

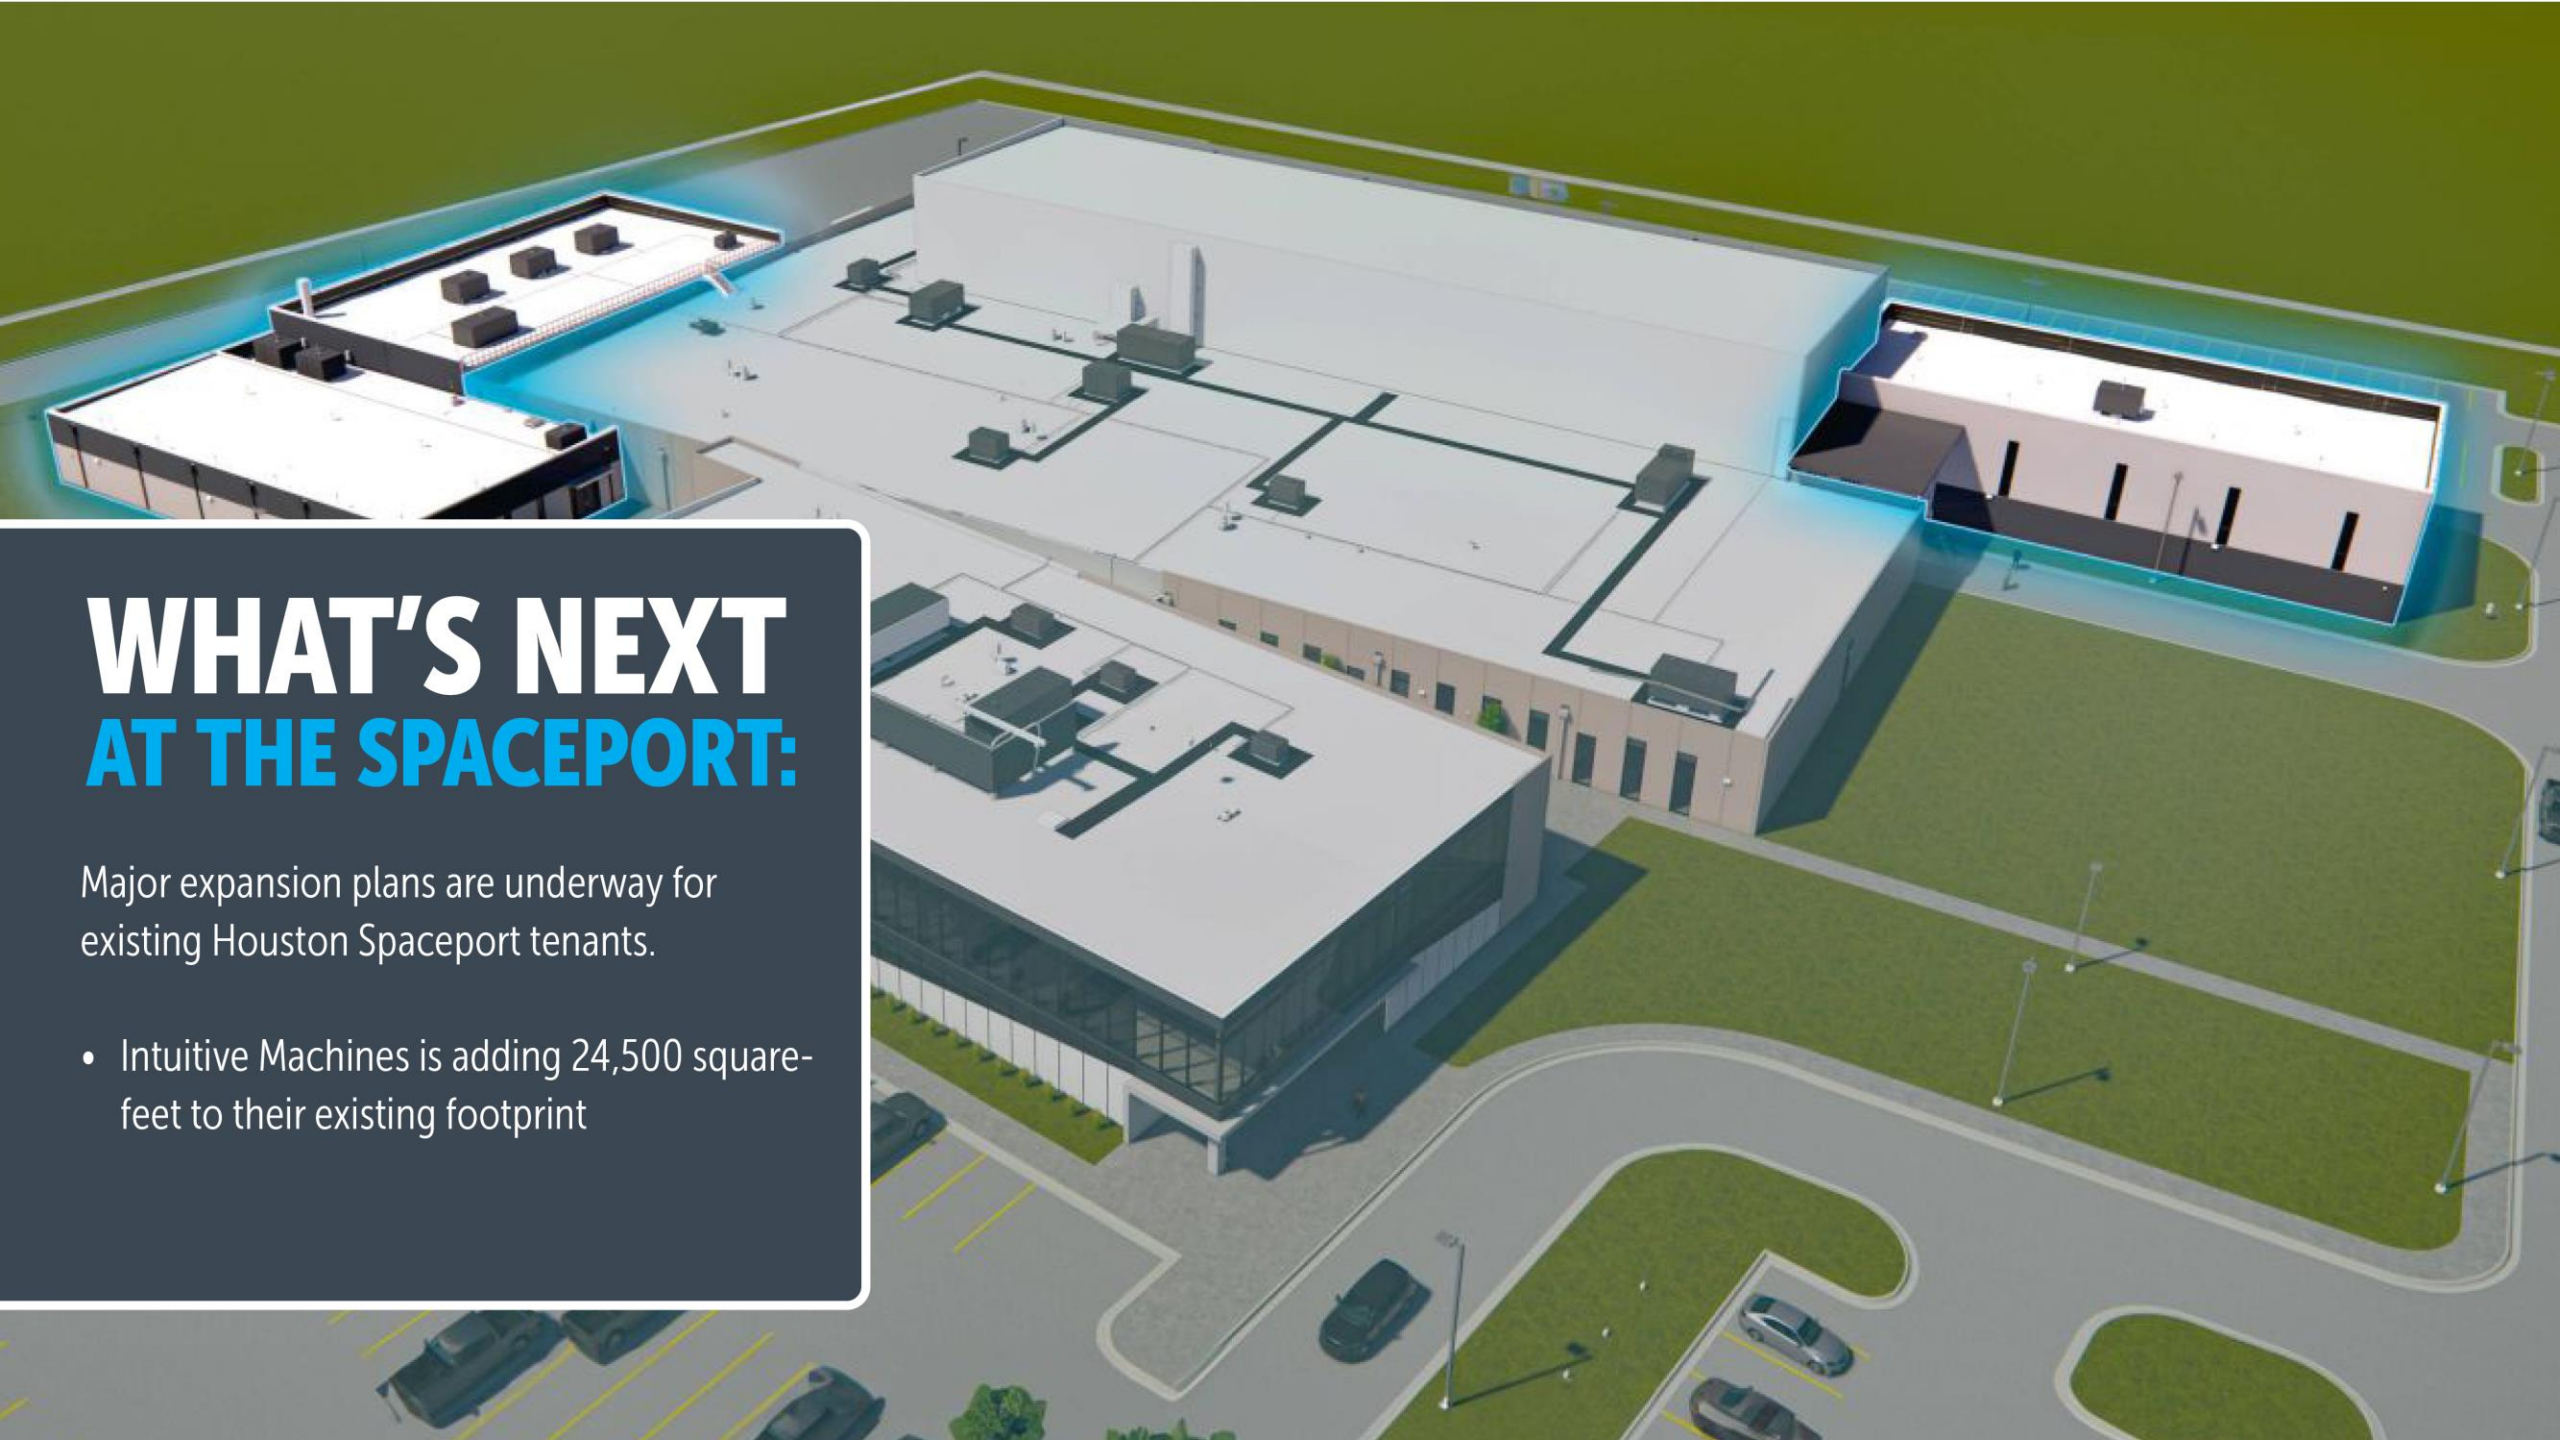

WHAT'S NEXT AT THE SPACEPORT:

Development continues at the Spaceport with Texas Southern University's new aviation training and education center, adding incredible depth to our on-campus education capabilities.

A new \$5 million facility and fleet of training aircraft will greatly expand TSU's ability to meet the growing demands of the aviation industry.

TSU's new aircraft sit on the apron.

WHAT'S NEXT AT THE SPACEPORT:

Major expansion plans are underway for existing Houston Spaceport tenants.

- Intuitive Machines is adding 24,500 square-feet to their existing footprint

WHAT'S NEXT AT THE SPACEPORT:

Major expansion plans are underway for existing Houston Spaceport tenants.

- Venus Aerospace Cuts the ribbon on their new engine testing facility.

A photograph of two men shaking hands in front of the Houston Spaceport sign. The man on the left is wearing a brown jacket, blue jeans, and sunglasses. The man on the right is wearing a dark jacket, light grey trousers, and glasses. They are standing on a grassy area with a large sign in the background that reads "HOUSTON SPACEPORT". The sign is white with black letters and is set against a large, curved, metallic structure. The background also shows some greenery and a clear blue sky.

WHAT'S NEXT AT THE SPACEPORT:

Major expansion plans are underway for existing Houston Spaceport tenants.

- Involve Space has established its US presence at the Houston Spaceport

WHAT'S NEXT AT THE SPACEPORT:

Major expansion plans are underway for existing Houston Spaceport tenants.

- The Houston Spaceport will support the Texas bid for the U.S. Space Academy

Thank You
