ADDENDUM TO PURCHASE ORDER

THIS ADDENDUM TO PURCHASE ORDER NUMBER 4500350756 is entered into on the date signed by the Vendor ("Effective Date") between the CITY OF HOUSTON, TEXAS ("City"), a home-rule city of the State of Texas, and **Outreach Strategists** ("Vendor" or "Contractor") located at 2727 Allen Pkwy #1300, Houston, TX 77019 and doing business in Texas.

1. This Addendum and attached Purchase Order are issued in connection with City's purchase of planning activities from Vendor.
2. For the purposes of this Addendum, "Purchase Order" means the purchase order issued by the City in connection with the Purchase Order Number referenced above.
3. The terms and conditions specified on <http://purchasing.houstontx.gov>, attached hereto as **Exhibit B**, will apply to this Addendum and Purchase Order. This Addendum and Purchase Order shall control over and override all terms and conditions specified on <http://purchasing.houstontx.gov> as well as those of any written specifications, statement of work, work write-up, or other project plan, that are inconsistent with this Addendum and Purchase Order, and this Addendum and Purchase Order is hereby substituted for any such conflicting or inconsistent term or condition. No additional term or condition added in any statement of work, other document relating to the subject matter hereof, or any amendment thereto can conflict with or diminish any term or condition of this Addendum and Purchase Order, and any such term or condition is and shall be void and unenforceable. The attached Purchase Order, along with any written specifications relating thereto, including this Addendum, contain all of the agreements between the parties relating to the subject matter within and embodies the full and final expression of the agreement between the parties.
4. Vendor shall provide the Services as outlined in the Purchase Order and as set forth in this Addendum, including **Exhibit A** (Scope of Services) attached hereto to satisfy the needs of the City described in the Purchase Order, this Addendum, its exhibits, and/or any authorized amendment thereto. The Purchase Order must be approved and signed by the Chief Procurement Officer or the Director of the Housing and Community Development Department (HCDD) or his or her designee (the "Director"). Goods and/or services shall be provided as more fully described in the Purchase Order or Exhibit A, at the prices and rates and budget set forth in the Purchase Order and this Addendum, including all exhibits. Vendor shall provide the Services in accordance with the terms outlined in this Addendum and Purchase Order, including Exhibit A and all other exhibits. The Director reserves the right to alter the scope of work, quantity or quality of goods ordered, or other elements of this Addendum and Purchase Order through the issuance of a Change Order to Vendor, as applicable. Any changes to the scope of work, price, or schedule shall be made in writing and signed by an authorized representative of each party.
5. The term of this Addendum and Purchase Order is 1 year from the Effective Date. This Addendum and Purchase Order shall expire on the earlier of: (i) the expiration date as mentioned above; (ii) when all funds allocated to the Purchase Order are exhausted, or (iii) when terminated by the Director or Chief Procurement Officer in accordance with the termination provisions below.

6. The City makes no express or implied representations, warranties, or guarantees whatsoever, that any particular quantity, type, task area, or dollar amount of services will be procured or purchased from Vendor through this Addendum and Purchase Order or Change Order; nor does the City make any express or implied representations, warranties, or guarantees, whatsoever for the amount or value of revenue that Vendor may ultimately derive from or through this Addendum and Purchase Order or Change Order.

7. The total fees paid by the City to Vendor for goods and/or services under this Addendum and Purchase Order and subsequent Purchase Orders shall be \$ 48,500.00. Vendor recognizes that, under Sections 19 and 19a of the City's Charter and Article XI, Section 5 of the Texas Constitution, the City may not obligate itself by contract to pay more money than the amount the City Council appropriates; and Vendor further recognizes that the City Council has appropriated and allocated only \$ 48,500.00 ("Maximum Fund Amount") to pay for goods and/or services under this Addendum and Purchase Order and subsequent Purchase Orders. The City's obligation to Vendor under this Addendum and Purchase Order and subsequent Purchase Orders shall not exceed \$ 48,500.00, unless both of the following events occur: (a) the City Council makes further appropriations for this Addendum, and (b) the City issues a duly authorized amendment to this Addendum prior to its termination.

8. Vendor shall submit to the Director an accounting report, itemized invoices, itemized receipts or other documentation that itemizes and reflects the eligible purchases and/or expenditures made in furtherance of performance under the Purchase Order and this Addendum. Within 30 calendar days after Director's approval of receipts/invoices and other documentation in support of eligible expenditures, subject the allocation of funds and paragraph 7 of this Addendum, the City will reimburse Vendor on the basis of the amount of the invoice approved by the Director. Vendor understands and agrees that the costs to be paid by the City for the expenditures will be funded with Community Development Block Grant ("CDBG") and Community Development Block Grant – Disaster Recovery ("CDBG-DR") funds, which total amount shall not exceed the Maximum Fund Amount. Vendor further understands and agrees it will not look for payment from the City in excess of the Maximum Fund Amount, and agrees to provide the City with written documentation to support all expenditures, including clarification of expenditures requested by the Director which must be provided prior to the date of disbursement of the Maximum Fund Amount.

9. The indemnification provision set forth in the terms and conditions attached as **Exhibit B** shall apply to goods only; however, whether providing goods or services, Vendor shall release the City as follows:

RELEASE

THE VENDOR AGREES TO AND SHALL RELEASE THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS AND LEGAL REPRESENTATIVES (COLLECTIVELY IN THIS SECTION THE "CITY") FROM ALL LIABILITY FOR INJURY, DEATH, DAMAGE OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS ADDENDUM AND PURCHASE ORDER, EVEN IF THE INJURY, DEATH, DAMAGE OR LOSS IS CAUSED BY THE CITY'S SOLE OR CONCURRENT NEGLIGENCE AND/OR THE CITY'S STRICT

PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY. VENDOR HEREBY COVENANTS AND AGREES NOT TO SUE THE CITY FOR ANY CLAIMS, DEMANDS, OR CAUSES OF ACTION DIRECTLY OR INDIRECTLY RELATED TO ITS RELEASE UNDER THIS SECTION. FOR THE AVOIDANCE OF DOUBT, THIS COVENANT NOT TO SUE DOES NOT APPLY TO CLAIMS FOR BREACH OF THIS ADDENDUM AND PURCHASE ORDER.

VENDOR SHALL REQUIRE ALL OF ITS SUBCONTRACTORS (AND THEIR SUBCONTRACTORS), IF ANY, TO RELEASE THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE TO THE CITY.

10. Vendor acknowledges that Hurricane Harvey disaster relief funds awarded by the U.S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant-Disaster Recovery (CDBG-DR) program administered by the Texas General Land Office (GLO) may be used to fund all or a portion of this Addendum and Purchase Order. Unless the Director directs otherwise, Vendor understands this program and the Services provided under this PO and PO Addendum are federally funded, in whole or in part, by HUD or CDBG dollars and Vendor shall comply with all applicable federal laws, regulations, executive orders, GLO and HUD policies, procedures and directives, including without limitation those set forth in this PO Addendum, 24 CFR Part 570, 2 CFR Part 200, and Exhibits C, D & E.

11. Vendor shall give the Director prompt written notice of any actions, lawsuits, or other proceedings, real or threatened, or any claims made against Vendor related to the subject matter of the Purchase Order and this Addendum, including all exhibits.

12. Vendor acknowledges that the Federal Government is not a party to this Addendum and Purchase Order and is not subject to any obligations or liabilities to the City, Vendor, or any other party pertaining to any matter resulting from this Addendum and Purchase Order.

13. Vendor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to Vendor's actions pertaining to this Addendum and Purchase Order.

14. Vendor shall not use the Department of Homeland Security (DHS) seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific Federal Emergency Management Agency (FEMA) pre-approval.

15. Access to Records. The following access to records requirements apply to this Purchase Order and Addendum:

- A. Vendor agrees to provide the City, including without limitation, the Director and City Controller, HUD, GLO, the Texas Department of Emergency Management, the Comptroller General of the United States, or any of their authorized representatives (1) access to any books, documents, papers, and records of Vendor which are directly pertinent to this Addendum and Purchase Order and (2) access to inspect all places where work is undertaken in connection with this Addendum and Purchase Order for the purposes of making audits, examinations, excerpts, inspections, and transcriptions.

Vendor shall keep its books, documents, papers, and records available for this purpose for at least five years after this Addendum terminates or expires. If the books and records are located outside of Harris County, Texas, Contractor agrees to make them available in Harris County, Texas. This provision does not limit the applicable statute of limitations.

- B. If City determines through an audit or in reviewing invoices or other supporting documentation that Vendor has expended any portion of the funds for purposes inconsistent with or not permitted by the terms of this Addendum or the applicable laws and regulations (e.g. GLO, or HUD, laws, rules and regulations), or has otherwise overpaid third parties, Vendor shall immediately return to the City the applicable portion of the funds within thirty (30) days of the date on which it receives written notice from the Director of the amount due and owing to the City and the reason that the funds must be returned.
- C. Vendor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- D. Vendor agrees to provide the GLO, HUD, and their authorized representatives access to construction or other work sites pertaining to the work being completed under this Addendum and Purchase Order.
- E. In compliance with the Disaster Recovery Act of 2018, the City and Vendor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the GLO, HUD, or the Comptroller General of the United States.

16. Environmental Compliance – Applicable only to Purchase Orders over \$150,000.

- A. Vendor shall comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251 et seq.).
- B. Vendor shall report all violations to the City, and understands and agrees that the City will, in turn, report each violation as required to assure notification to the GLO, HUD, and the appropriate Environmental Protection Agency Regional Office.
- C. Vendor shall include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by HUD.

17. Contract Work Hours and Safety Standards Act – Applicable only to Purchase Orders over \$100,000. All contracts entered into related to this Addendum and Purchase Order shall contain the following language:

- A. Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such

laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

- B. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (A) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (A) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (A) of this section.
- C. Withholding for unpaid wages and liquidated damages. GLO and HUD shall upon their own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (B) of this section.
- D. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (A) through (D) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (A) through (D) of this section.

18. Equal Employment Opportunity. During the performance of this contract, Vendor agrees as follows:

- A. Vendor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor agrees to post in conspicuous places, available

to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- B. Vendor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- C. Vendor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- D. Vendor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. Vendor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- F. Vendor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- G. In the event of Vendor's noncompliance with the nondiscrimination clauses of this Addendum and Purchase Order or with any of the said rules, regulations, or orders, this Addendum and Purchase Order may be canceled, terminated, or suspended in whole or in part and Vendor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

- H. Vendor will include the portion of the sentence immediately preceding paragraph (A) and the provisions of paragraphs (A) through (H) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. Vendor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event Vendor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

- I. The Applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.
- J. The Applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.
- K. The Applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

19. Procurement of Recovered Materials.

- A. In the performance of this Addendum and Purchase Order, Vendor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:

 - (2) Meeting contract performance requirements; or
 - (3) At a reasonable price.

- C. The Vendor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

20. Remedies. If any work performed and/or goods delivered by Vendor fails to meet the requirements of the Addendum and Purchase Order, any other applicable standards, codes or laws, or otherwise breaches the terms of the Addendum and Purchase Order, the City may in its sole discretion:

- A. elect to have Vendor re-perform or cause to be re-performed, at Vendor's sole expense, any of the work which failed to meet the requirements of the contract;
- B. in the case of goods, reject the goods and require Vendor to provide replacement goods that meet the needs of the City and the terms of the Addendum and Purchase Order;
- C. hire another contractor to perform the work and deduct any additional costs incurred by the City as a result of substituting contractors from any amounts due to Vendor; or
- D. pursue and obtain any and all other available legal or equitable remedies.

This Section shall in no way be interpreted to limit the City's right to pursue and obtain any and all other available legal or equitable remedies against Vendor.

21. Suspension and Debarment.

- A. Federal regulations restrict the City from contracting with parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities, where the contract is funded in whole or in part with federal funds. Accordingly, a contract or subcontract must not be made with any parties listed on the SAM Exclusions list. SAM Exclusions is the list maintained by the General Services Administration that contains the name of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under certain statutory or

regulatory authority. Vendor can verify its status and the status of its principals, affiliates, and subcontractors at www.SAM.gov.

- B. This Addendum and Purchase Order is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, Vendor is required to verify that none of its principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- C. Vendor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- D. This certification, found in **Exhibit C** is a material representation of fact relied upon by the State of Texas and the City. If it is later determined that Vendor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State of Texas and the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- E. Vendor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. Vendor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

22. Byrd Anti-Lobbying Amendment.

- A. Vendors who apply or bid for an award of \$100,000 or more shall file the required certification as set out in **Exhibit D** of this Addendum. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

23. Contracting with Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms.

- A. If Vendor intends to subcontract any portion of the work covered by this Addendum and Purchase Order, Vendor must take all necessary affirmative steps to assure that small and minority businesses, women's business enterprises and labor surplus area firms are solicited and used when possible. Affirmative steps must include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
- (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

24. Preservation of Contracting Information.

1. The requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Addendum and Vendor agrees that this Addendum can be terminated if Vendor knowingly or intentionally fails to comply with a requirement of that subchapter. If the requirements of Subchapter J, Chapter 552, Texas Government Code, apply to this Addendum, then for the duration of this Addendum (including the initial term, any renewal terms, and any extensions), Vendor shall preserve all Contracting Information, as defined by Section 552.003 of the Texas Government Code, related to this Addendum as provided by the records retention requirements applicable to the City pursuant to federal or state law or regulation, City ordinance or City policy, which record retention requirements include but are not limited to those set forth in Chapters 201 and 205 of the Texas Local Government Code and Texas Administrative Code Title 13, Chapter 7. Within five business days after receiving a request from the Director, Vendor shall provide any Contracting Information related to this Addendum that is in the custody or possession of Vendor. Upon the expiration or termination of this Addendum, Vendor shall, at the Director's election, either (a) provide, at no cost to the City, all Contracting Information related to this Addendum that is in the custody or possession of Vendor, or (b) preserve the Contracting Information related to this Addendum as provided by the records retention requirements applicable to the City pursuant to federal or state law or regulation, city ordinance or city policy.
2. If Vendor fails to comply with any one or more of the requirements of this Section, Preservation of Contracting Information, or Subchapter J, Chapter 552, Texas Government Code, then, in accordance with and pursuant to the processes and procedures set forth in Sections 552.373 and 552.374 of the Texas Government Code, the Director shall provide notice to the Vendor and may terminate this Addendum. To effect

final termination, the Director must notify Vendor in writing with a copy of the notice to the City's Chief Procurement Officer. After receiving the notice, Vendor shall, unless the notice directs otherwise, immediately discontinue all services under this Addendum, and promptly cancel all orders or subcontracts chargeable to this Addendum.

Scope of Work and Budget

Scope of Work for Houston Best Practices: Framing and Communicating About Affordable Homes

The City of Houston seeks a consultant to conduct a research study with recommendations regarding the framing, messaging, and communication about affordable housing in Houston to clearly demonstrate need and create a strong and active group of supporters while decreasing opposition. Like many cities across the United States, Houston is facing a continued loss of affordable housing stock, a problem that was compounded after Hurricane Harvey damaged a significant portion of affordable homes in Houston, leading to even greater need.

In response to this need over the next several years, the City of Houston is investing almost \$1 billion to build, repair, and support homes for low- and moderate-income residents. Public and community support is critical to the success of any effort to create and preserve affordable homes. Research suggests that affordable home initiatives should be tailored to appeal to the personal experience and values of the people in the local community.

The consultant will conduct research about and make recommendations for best practices to communicate about affordable housing with Houstonians. At a minimum, the research study should include:

- A literature review (national scope) and summary of key findings from research studies related to affordable housing communications. This includes
 - Public opinion research that adds to the understanding of how respondents feel about affordable housing and the people who live in it
 - Language and messaging research that describes how respondents react to specific terms and ideas
 - Inclusion of applicable studies with geographies similar to Houston that have been impacted by disasters and used recovery funds to address affordable housing needs
- Houston area case studies, preferably in the city limits, showing a variety of communication techniques and community reaction to affordable home developments. The case studies should include both rental and homeownership, as well as, both repair and new construction. Consultants should conduct interviews with key stakeholders to inform the case studies.
- Recommendations related to Houston specific desired outcomes should include
 - A tactical messaging guide for the City, non-profit advocates, and residents or other proponents of affordable housing to use when communicating with the community with specific language and framing suggestions. The guide should have different techniques and substantiated recommendations for different neighborhood types or groups of residents.
 - A communications strategy for the City for various types of developments, including City funded, City supported, and partner developments. The strategy should include action steps, like (1) public campaigns and (2) specific informational resources. Strategies should be aligned to development types.

Creating and utilizing primary data from Houston or the Houston area is preferred to inform the study. Consultants should meet with City staff as work begins and periodically through the development of the

study. Consultants should work with staff to finalize the selection of case studies to capture a representation of Houstonian’s attitudes.

Timetable:

Vendor shall complete all services within three months from the issuance of the attached Purchase Order.

This budget has been revised to only include line items that are eligible for reimbursement according to the CDBG regulations (24 CFR Part 570) and the federal grant requirements (2 CFR Part 200). For a full list of eligible and ineligible items, please refer to the regulations mentioned above.

THE CITY WILL NOT MAKE ANY REIMBURSEMENTS FOR ANY AND ALL INELIGIBLE ITEMS.

Item	Details of Deliverable	Cost
Literature Review	<p>Utilizing public and subscription-level access to news reports, academic journals, government reports, legal studies, and non-profit and private reports, Outreach Strategists will assign two staffers to collect, analyze and summarize the documentary record.</p> <p>The scope of the literature review is significant, and will extend well into the project. The first phase is rapid —compiling research and reporting from a range of sources—to inform the design of the interview guides for the individual and group interviews. The preliminary focus is on identifying established challenges and tested solutions to identify their potential applicability to the current landscape in Houston.</p> <p>The ongoing review will continue to collect and classify literature from across the country – including, but not limited to academic papers and publications, organizational releases, governmental studies from federal, state, and local housing agencies, media coverage, advocates, and industry groups.</p>	\$ 8,500.00
Informant Interviews and Case Studies	<p>Outreach Strategists will convene six formal focus groups representative of the city’s diversity and geography, and multiple informal groups conducted in concert with partner advocates to inquire and evaluate the public’s opinions on affordable housing.</p> <p>For an affordable housing program this will include individual interviews with stakeholders, advocates, and providers to identify the scope and scale of the opportunities and challenges presented by the current landscape. These interviews would be conducted in-person when possible, through physically-distanced meetings.</p>	\$ 30,000.00

	<p>An interview guide and a list of potential interview informants will be presented to City staff for approval. The interviews will start with City staff, but would likely include, but not be limited to housing and homeless advocates, academic experts and researchers, domestic violence support networks and organizations, immigration activists, non-elected civic leaders, landlord associations, tenant advocates, developers, etc.</p> <p>Further, in coordination with City staff, interviews can be conducted with other key agency leaders; for example, public safety agencies, the Planning and Development Department, and school districts. These conversations can help leverage further complementary insights.</p> <p>Lastly, an attempt to interview representatives from other cities which have navigated similar terrain would be helpful in evaluating existing best practices and lessons learned from their experiences. These interviews would be conducted remotely, without incurring additional expense.</p> <p>After these individual interviews, there would be a series of focus groups – involving physically distanced groups of 8-10 people representing the diversity and geography of Houston. Some groups would be conducted formally, in structured in-person, research settings, while others could be conducted informally, with members of civic groups, advocacy organizations, and tenant groups. The composition, discussion guides, and locations of these research groups would be coordinated with and approved by City staff.</p> <p>The focus groups – conducted in multiple languages – will explore how Houstonians acquire information and make decisions, their reactions to affordable housing concepts, evaluate their lived realities, and proffer specific messaging of interaction and intervention to evaluate salience and effect.</p>	
<p>Messaging Guide and Communications Strategy</p>	<p>Based on the research findings, the public engagement and creative services teams at Outreach Strategists will design and develop messaging guides and communications strategies needed to effectively reach and persuade Houstonians.</p> <p>Outreach Strategists will develop a series of recommendations around language, images, delivery channels, message, and messengers for each audience the City needs to engage in building consensus, awareness, and action for affordable housing. Each recommended element can be provided in the languages and formats preferred by the City and its partners.</p>	<p>\$ 10,000.00</p>
