counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations. Prime Contractor may settle the claim without the consent or agreement of the City, unless it (i) would result in injunctive relief or other equitable remedies or otherwise require the City to comply with restrictions or limitations that adversely affect the City, (ii) would require the City to pay amounts that Prime Contractor does not fund in full, (iii) would not result in the City's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

Contractor's employees should be trained to be customer-service oriented and to positively and politely interact with clients when performing contract services. 4.0 INSPECTIONS AND AUDITS:

4.1 City representatives may have the right to perform, or have performed, (1) audits of Contractor's books and records, and (2) inspections of all places where work is undertaken in connection with this Agreement. This provision does not affect the applicable statute of limitations.
