

## Public Notice

Please join the City of Houston's Housing and Community Development Department (HCDD) for its **Virtual Fall Community Meeting and Public Hearings**. Approximately \$45 million in federal entitlement grants will be available to improve Houston's neighborhoods and the quality of life for low- and moderate-income families over the next year. The City will also receive \$37 million in a new grant, HOME-ARP, to help create affordable housing and services for people who are homeless, people at risk of becoming homeless, and other vulnerable populations. Tell us about your community needs and priorities to inform the preparation of Houston's 2022 Annual Action Plan and the HOME-ARP budget.
