REQUEST FOR RELEASE OF FUNDS

On or about **February 24, 2022**, the City of Houston's Housing and Community Development Department will submit a request to the Texas General Land Office (GLO), for the release of Community Development Block Grant Disaster Recovery (CDBG-DR) Small Rental Program funds authorized by the Supplemental Appropriations for Disaster Relief Requirements of 2017, Public Law 115-56 and, Additional Supplemental Appropriations for Disaster Relief Requirements Act of 2018, Public Law 115-123 through activities authorized under Title I of the Housing and Community Development Act of 1974 as amended related to disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization and mitigation to undertake a project known as the **Chew Street Rowhomes Small Rental Project**.

This project involves the new construction of a small rental project under the City's CDBG-DR 17 recovery grant. This project is a Hurricane Harvey Disaster Recovery project, and its aim is to meet general housing needs for low- to moderate-income people in the Houston area, which have spiked in the wake of the recent flooding events of the past several years, including but not limited to Harvey.

The project is expected to entail the new construction of a single row of townhomes, associated parking, and a stormwater detention area on approximately 22,624 square feet (0.519 acres) of undeveloped land. The Chew Street Rowhomes will consist of 7 townhomes with two available layouts. A fully accessible, ADA-compliant layout comprised of a single-story, two-bedroom home is available on both ends of the row. Between the two accessible townhomes will be 5 two-story, three-bedroom townhomes. All seven townhomes will have two dedicated parking spaces. The CDBG-DR funding will be used on hard and soft construction costs associated with the project.

Chew Street Rowhomes is designed as a small rental project to serve Houstonians whose income is below area averages and medians and who face challenges and barriers to gaining access to decent, quality, affordable housing outside of the floodplain.

Project Location: 0 and 2600 Chew Street
 (Southeastern corner of Chew Street and Downing Street)

Houston, Harris County, Texas 77020
(29.78501 N, -95.31484 W)

Approximately \$1,678,142.00 of CDBG-DR17 funds, Grant No. B-17-MC-48-0001, for Hurricane Harvey Multifamily Disaster Recovery, will be utilized for this project and the total development cost is estimated at \$1,839,392.00.
