2024 Fall Community Meetings - 2025-2029 Consolidated Plan

Please join the City of Houston (City) Housing and Community Development Department (HCD) for two Fall Community Meetings to inform residents about and gather input for our strategic five year plan the 2025-2029 Consolidated Plan and the 2025 Analysis of Impediments to Fair Housing Choice. Approximately \$250 million in federal grants will be available in the next five years to improve Houston's neighborhoods and the quality of life for low- and moderate-income families. These federal grants include the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Housing Opportunities for Persons with HIV/AIDS (HOPWA), and Emergency Solutions Grant (ESG). Staff will gather input about future budgets, goals, and strategic vision for how resources are allocated to meet needs.
