

# Alameda Corridor

Community Parking Program

**Mon-Sun**

**9 am - 8 pm**

**2 hr time limits**

## Residential Quiet Zones

- No Parking on residential streets after 8 PM except with valid permit
- Permits available for residents with proof of address in the corridor
- Limit of 3 permits per property

## Permits

- Annual permits available with corridor address
- Limit of 3 permits per property
- Need state issued ID
- Proof of residence
- No change to RPP regulations
- CPP permits are not valid in RPP zones

## Garbage Pick Up Day

- No parking zone on Tuesday from 7AM – 12 Noon
- Parking only permitted with valid CPP or RPP permit

## Sharing the Public Right-of-Way

Approved by City Council in 2019, the Community Parking Program (CPP) allows ParkHouston to use the most effective tools for managing the limited number of on-street parking spaces in mixed-development neighborhoods. Those tools include:

- Parking Permits
- Parking Meters
- Time-limited Zones

Curbside parking spaces are in high demand. The goal of the CPP is to limit long-term parking and encourage turnover of those spaces.
